

THUNT 2014

HINTS WISE OR OTHERWISE #1

Why don't grasshoppers like football games?

- 1) Flea did it in 1957 and inspired Harry's 1961 classic
- 2) If you get rid of the other letters, what remains?
- 3) Let the sky be blue tomorrow, just like it is today
- 4) Trackable via Groundspeak
- 5) Overtook the Seattle armory
- 6) Papa Delta 10²
- 7) 2013 South Atlantic league champions
- 8) Season 5, Episode 1...because Sherman said so
- 9) Curcio and Periongo were surrounded by the sharks
- 10) The Germans dropped cardboard boxes filled with them
